

*Dear Domain's friends, dear Champagne's lovers,*

*Champagne Marc Hebrart is delighted to present its new vintage 2014 cuvée Clos Le Léon; flagship of the Hebrart's Domain.*

*Le Clos Le Léon, located at Dizy Premier Cru on the historic slopes of Champagne, is divided into 3 parts after an inheritance.*

*My dream as a winemaker has always been to gather these 3 parcels to reconstitute the original Clos and lend to this Great Terroir its prestige.*

*After 14 years of patience and stubbornness, I realized my dream.*

*In the intimacy, the Chardonnay is fully expressed in this Clos de 81a 06 ca, facing South, on a chalked ground. The grapes are picked up at high maturity and unlike the essence of the cuvée is used (also known as "Coeur de cuvée").*

*This Champagne Blanc de Blancs Extra-Brut is vinified in oak barrels without malolactic, left 7 months on fine lees to finally aged 72 months on slats.*

*Clos Le léon, closely guarded secret, is now ready to be revealed.*

*I hope you will enjoy this cuvée as much as I had the pleasure to create it.*

*Jean-Paul Hébrart*
